
**Nettleham based
business has work
featured in national
home magazines**

Nettleham based master upholsterer, Crowther & Sons, continues to establish itself and its reputation for superlative quality and attention to detail beyond the county.

The Company has been featured recently in national magazines, Homes & Gardens and Period House and is now undertaking work for both private clients and designers in London and the South East. The recent complete

renovation
of this Art
Deco
Vintage
Rocking
Chair
including
frame and

rocking mechanism is an example of how the highly skilled upholsterers and cabinet makers in the Crowther & Sons workshop can transform and upcycle a piece of furniture to the very highest level.

The chair is covered in Linwood Fabrics Omega Italian Lemon Velvet.
